Book Synopsis

This brand-new study guide comes with a comprehensive review of the content area, information about the Florida state standards, practice tests, answer keys, and a detailed description for every answer to the multiple-choice questions. Written by two highly qualified instructors, this guide also includes effective teaching strategies and applicable tips for your future classroom. Specific topics include: • Reading and language arts • Writing • Social sciences • Mathematics • Science • Media literacy • Best practices in the elementary classroom • Assessment • Effective instructional practices • Research-based teaching approaches With sample tests that direct you back to sections that might require a second review and over 300 pages of content, this guide will give you all the practice necessary to pass the FTCE Elementary Education exam.
